I'm a product designer with 8+ years in B2B SaaS. For four years I was the sole designer at Toggl Hire, where I helped turn a skills testing tool into a skills-based ATS and planned features with the CEO, developers and product managers. I started in business development, so I design with the business side in mind and keep a team of developers moving.

Skills

UX/UI Design, Design Systems, Product Planning, Release QA, User & Market Research, Data Management, CRM Management, Lead Generation, Cross-functional Collaboration, Team Management

Tools

Figma, Cursor, Webflow, Pipedrive, HubSpot, Intercom

Work Experience

Toggl OÜ
Senior Product Designer
Sep 2025 – Jan 2026

- Designed admin experiences for Toggl Focus in the data management team, improving how users import and manage their data
- Collaborated on design system improvements across a 9-person design team

Toggl OÜ
UX/UI Designer, Toggl Hire
Jun 2021 – Sep 2025

- Sole designer for Toggl Hire, working with a team of 10+ developers. Planned and scoped features with the CEO, later with several product managers
- Designed the product's evolution from a skills testing tool into a full skills-based ATS, used by 500,000+ candidates
- Kept design ahead of development and QA'd releases before launch
- Led the rebrand and unified the product on a single design system
- Built marketing landing pages in Webflow and created illustrations

Toggl OÜ
Business Development Representative, Toggl Hire
Aug 2018 – Jun 2021

- Researched and qualified customers, designed outbound campaigns, and booked 40+ demos a month
- Ran Facebook ad campaigns for customers end to end: visuals, targeting, and monitoring
- Managed the CRM in Pipedrive and HubSpot; handled support and onboarding campaigns in Intercom
- Hired and managed a sales intern

Jobbatical OÜ
Sales Development Representative
Sep 2017 – Jun 2018

- Executed outbound campaigns via Reply.io that delivered 10+ demos per week
- Trained and managed 4 sales interns on prospecting and CRM best practices
- Maintained accurate pipeline tracking in Pipedrive for smooth sales handoffs

Jobbatical OÜ
Sales Intern
Mar 2017 – Sep 2017

- Conducted market research to identify and qualify ICPs
- Managed lead tracking and prospect pipeline in CRM
